

VdS Schadenverhütung  
confirms the application of a  
quality management system

for

Nohl Brandschutz GmbH  
Werner-von-Siemens-Straße 2  
D-64319 Pfungstadt

This certificate is exclusively valid for the quality management system within the indicated scope. The present validity can be verified under [www.vds.de](http://www.vds.de).

This certificate does not include any information about a VdS approval of installers, security companies, products, procedures or similar. For this purpose separate evidence is required.

This certificate shall only be reproduced without any modifications and including all enclosures. During the entire validity of the certificate the quality management system of the organisation shall meet the requirements of the certification basis. This will be examined by VdS Schadenverhütung at a regular basis.

Any advertising with this VdS approved quality management system shall reflect the correct contents of the certificate and shall not violate the competition regulations.
